Club Fee Structure 2018

To assist you in understanding the costs of participation and helping you to decide if you would like to join our Club, or participate in coached sessions, we have provided this overview.

Our Club fee structure is shown below. Please be advised that the club fee component payable to Redlands Bayside Masters Swimming does not include entry to the Cleveland Aquatic Centre. Entry to the pool is to be paid at the front desk upon arrival. The Centre has various payment options available so please investigate which option would be most suited to you and take advantage of any concessions that they offer.

Annual Fees (Masters Swimming Australia)

- 12 months – 1 Jan 2018 to 31 Dec 2018 \$110.00

Concession Card Holders

- 12 months – 1 Jan 2018 to 31 Dec 2018 \$95.00

Our club offers free coaching for your first four visits, after which you are invited to sign on and enjoy the support, coaching, fitness and camaraderie we offer as a club. Being a Member is cost-effective and includes accident insurance cover, use of all our equipment and participation in a range of swimming activities which are detailed in the enclosed brochure.

Masters Swimming will introduce you to some wonderful people, all of whom enjoy the feeling of well-being from their swimming fitness. Irrespective of the Club they belong to, you will benefit from their help with your swimming, enjoy the social occasions, the associated activities and swim programs, and perhaps, even join us in some competitive swims at the Club Swim Meets.
